Everyone Plays Balanced Teams Open Registration Good Sportsmanship Positive Coaching Player Development

AFTER YOU'VE REGISTERED, WHAT'S NEXT??

Congratulations, you have become part of the American Youth Soccer Organization (AYSO). America's premier youth sports soccer organization. In AYSO we have six basic philosophies: *Everyone Plays, Balanced Teams, Open Registration, Good Sportsmanship, Positive Coaching, and Player Development*. The following information will help you understand, now that you have registered and become part of AYSO, what to expect for the upcoming season.

1. AYSO is a volunteer organization, so we need your help. All coaches selected are volunteers. We need a coach, an assistant coach, and a referee for every team. We will provide coach training to all volunteers at no cost. If we do not get enough volunteers who agree to coach, we may not be able to accommodate all timely registered players, and a lottery may have to be held to choose as many children as can be accommodated based on the number of coaching volunteers.
2. Coaches will receive their teams on **March 21st**. Coaches are asked to contact their players by **March 23rd** to arrange team meetings. Parents should make every effort to attend this important meeting. Coaches need to meet parents, discuss the AYSO philosophy, parent guidelines, and arrange volunteers for various *team* duties. Players who cannot be contacted risk losing their places to players on the waiting list. *If you have not heard from your child's coach by **March 23rd**, call and leave a voicemail message at 208-528-8524. Please do not call before this date to determine the status of your child's team.*
3. Refund Policy: There will be no refund of the AYSO National annual fee after your child's registration has been submitted. There will be a \$5 administrative fee deducted from all Region 102 season registration fees after your child's registration has been submitted. As of Team Distribution Day, any refunds granted will be for one-half of the Region 102 season registration fee until the first meeting or practice of the team. Once the team has met for a practice or team meeting, regardless of whether your child can attend that meeting or practice, there will be no refunds granted.

An "AYSO Region 102 Refund Request", which is available from our web page, must be completed and submitted to request a refund.

4. Coaching clinics will be conducted as follows for new and returning coaches. Clinics are *required* for all coaches, whether new or returning. **Clinics will be held as follows: March 12-13, U12; March 19, U10; March 18, U8; March 17, U5 & U6. Please note that times and locations are TBD we will keep everyone updated as clinics approach. Team uniforms and equipment will be handed out on March 21st, before the completion of coaches' clinics.**

If you have volunteered to coach, make sure you know when your clinics are. If you have not already registered to attend a clinic, please contact Shauna Kump (208-313-4385) or reg102shauna@hotmail.com to register.

5. Referees are needed at all AYSO games. Referee training is provided to all interested volunteers at no cost. Refereeing clinic for referees will be conducted via online web courses. If you have not already registered to attend a referee clinic, please contact Gary Schreiner (208-208-357-6256) or coachg@froovement.com to register.
6. All players are required to wear shin guards at every practice and every game. In addition, for player safety, players are not allowed to wear jewelry or casts at any AYSO practice or game. Your coach will review other important safety rules at your team meeting.
7. Team equipment and uniforms (shirt, shorts, and socks) will be distributed at the initial team meeting.
8. Game schedules will be distributed by coaches and are available on the website <http://www.ifsoccer.org>
9. Games begin **April 11th**, and most divisions will have their final match by **May 30th**.
